RESEARCH EXPERIENCE

Researcher: July 2015 – September 2015

Contracted by The Office of the Veterans Ombudsman (OVO), Ottawa, ON

- Conducting a comprehensive review of the Canadian literature on Veterans in transition
- Formulating a qualitative methodology to assist in defining a “successful transition” for medically released Canadian Veterans
- Conducting pilot-interviews to refine interview format

Research Assistant: June 2013 – September 2013

Center for Health Services and Policy Research, Queen's University, Kingston, ON

- Conducting a scoping review of the international literature on interventions for Post-traumatic Stress Disorder (PTSD)
- Creating a database of the literature on psychological interventions for PTSD
- Preparing a presentation for the 4th Annual Military and Veteran Health Research Forum in November 2013

Research Assistant: June 2012 – September 2012

Center for Health Services and Policy Research, Queen's University, Kingston, ON

- Conducted a scoping review of the Canadian literature on veterans' health concerns
- Contacted top publishing authors in the field for further literature
- Created a database of the Canadian literature on veterans' health

- Wrote a book chapter describing the Canadian literature on veterans' health. The purpose of this chapter was to allow for a deeper understanding of the current state of research on the health of Canadian veterans
- The book chapter was published in the book, *Beyond the Line: Military and Veteran Health Research*

TEACHING EXPERIENCE

Instructor for Cooperation and Conflict in Society: Winter 2018

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about the dynamics of conflict from a micro perspective focused on practical communication skills, in addition to a macro perspective regarding current societal conflicts

Instructor for Violence and Society: Winter 2018, Fall 2017, Winter 2017, Fall 2016

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about various areas in the study of violence, particularity related to the history and development of Western civilization.

Instructor for Introduction to Sociology [Honours]: Fall 2017, Winter 2016

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about foundational theoretical and substantive areas in sociology
- Developed skills in knowledge translation and the ability to clearly articulate complex concepts to first year students without any previous experience in the area

Instructor for Sociology of Religion: Winter 2016

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about the development of religion and secularization in America and its impact on race, gender, and class controversies, as well as major social institutions in the public sphere

Instructor for Social Research Methods: Fall 2016, Fall 2015

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about key concepts and processes involved in social research methods
- Developed skills in knowledge translation and the ability to clearly articulate complex methodological ideas in clear language

Instructor for Introduction to Sociology: Fall 2017, Fall 2015

Eastern Michigan University, Ypsilanti, Michigan

- Teaching students about foundational theoretical and substantive areas in sociology
- Developed skills in knowledge translation and the ability to clearly articulate complex concepts to first year students without any previous experience in the area

Invited Guest Lecturer for the CIMVHR webinar series on Issues in the Health of Military Personnel, Veterans and their Families: November 2015

Royal Military College, Kingston, ON

- Online lecture on the experiences of Canadian Veterans in transition to civilian life

Teaching Assistant for Contemporary Social Theories I and II: September 2011 – April 2013

Queen's University, Kingston, ON

- Taught students about key figures in contemporary social theory during two weekly tutorials of roughly twenty-five students each for four semesters (Part I and II, two semesters each)
- Developed skills in knowledge translation and the ability to clearly articulate complex concepts to students when leading tutorial sessions

Teaching Assistant for Foundations of Sociological Theory: Fall 2010

University of Windsor, Windsor, ON

- Evaluated and marked students' assignments and exams for two semesters
- Met with students during office hours to provide extra assistance
- Responded to students inquiries and questions by email in a timely manner
